The chairperson of each panel shall have been actively engaged in the practice of law in this court for at least three (3) years. Should a substitution of an assigned arbitrator be necessary, he or she shall arrange for one of the two substitutes to be present at the arbitration. The court administrator shall, by regular mail, also notify all arbitrators assigned to an arbitration panel of the dates on which the arbitration panel is assigned to hear arbitration cases and the location of the arbitration hearings.

In addition, prior to the scheduled arbitration date, the court administrator shall, by mail, send all of the arbitrators assigned to the arbitration panel a list containing the names of the cases to be heard, the names of the parties and the names of all counsel for the parties. In the event any of the arbitrators believes that he/she has a conflict of interest in connection with hearing any particular case, the arbitrator shall immediately notify the court administrator in writing that the arbitrator believes there is a conflict of interest and the reasons therefore, with a copy to all counsel or unrepresented parties involved in the particular case.

- (c) On the date of the arbitration hearing, all counsel should check in with the representative of the court administrator's office located at the site of the arbitration. The continuance request must be on a form approved by the court, and shall contain all of the reasons for the request for continuance. Amplification of reasons, by letter or in person, will not be considered by the court. The application for continuance will not be considered unless it contains the position of opposing counsel, either by signature of the opposing counsel or by verification of the counsel presenting the request for continuance. Good cause shall be required for continuance of an arbitration hearing. The filing of a pre-trial motion after a case has been scheduled for arbitration will not result in an automatic continuance of the arbitration hearing.

- (b) If the application for continuance of a scheduled arbitration hearing is granted, the court administrator shall select and set a date certain for the arbitration hearing to be held. Counsel may select a date certain for the continuance of the arbitration hearing from a list of available dates provided by the court administrator's office, provided that all counsel agree to said date. Continuances will not be granted from a date certain selected by counsel.
- (c) If an application for continuance is not made at least five (5) days prior to the arbitration hearing, then a continuance shall only be granted by the court for good cause which was not apparent five (5) days prior to the date set for the arbitration hearing.
