The Pennsylvania Rule of Court concerning Paternity Actions is found at Pa.R.C.P. No. 1930.6 Paternity Actions. Scope. Venue. Commencement of Action.

- (a) This rule shall govern the procedure by which a putative father may initiate a civil action to establish paternity and seek genetic testing. Such an action shall not be permitted if an order already has been entered as to the paternity, custody, or support of the child, or if a support or custody action to which the putative father is a party is pending.
- (b) An action may be brought only in the county in which the defendant or the child(ren) reside.
- (c) An action shall be commenced by filing a verified complaint to establish paternity and for genetic testing substantially in the form set forth in subdivision (1). The complaint shall have as its first page the Notice of Hearing and Order set forth in subdivision (2).

Note: See Pa.R.C.P. No. 1930.1(b). This rule may require attorneys or unrepresented parties to file confidential documents and documents containing confidential information that are subject to the Case Records Public Access Policy of the Unified Judicial System of Pennsylvania.

- (1) The complaint filed in a civil action to establish paternity shall be substantially in the following form:

See the proposed form and order included in this rule on the reverse of this Pathfinder. See the Rule for the Notice to Defend and other important information.
